EXTRAS

- Salt Water Pool
- Unique Architecture
- Parking for 4 cars
- Elevator

Villa of unique architecture located in the luxurious Vista Alegre urbanization. The property is divided into three floors and stands out for its style and use of the latest technology. Impressive minimalist kitchen and lounge suitable for use by professional chefs. Three of the seven bedrooms and a guest bathroom are located on the entrance level. On the first floor there are four more bedrooms all with private bathrooms. An impressive elevator connects the large garage with the other floors. The triangular shaped saltwater pool, lighting and decoration give the villa a unique touch.
